Island Hop 1 - Maithon Island

Our favorite and most popular cruise is our "Maithon Run". A three island hop. First to the Kai islands in the morning - if you like seafood, here we pick up fresh fish, squid and prawns to cook on the BBQ, fried rice and corn on the cob. The crew will make a salad to serve with this, and you have a magnificent lunch. Could not be fresher! Maithon waters are great for snorkeling, as they are turquoise and crystal clear. There are two family pods of dolphins there too, which our guests manage to see 90% of the time. On the way back, the boat can call in at Ko Rang yai or Ko Phe
We guarantee you will have a fantastic day!

Island Hopping 2A - Phang Nga Bay

This beautiful Marine National Park is world famous, with spectacular limestone cliffs towering out of the sea. Kayaking in the caves is very popular here, and you can hire them for 500 baht. Then you can cruise to James Bond Island - whether you go ashore here or not is up to you. After that the boat can speed across to Kudu island and the crew will inflate the jacuzzi where you can sit and float and relax and have a beer and some lunch.

If you want to dine in style, a popular request is to have lunch at the famous Pyramid restaurant, this is a delightful spot with magnificent views of the Krabi islands and Krabi itself and the food is outstanding (try the stuffed squid!)

This delightful restaurant will give you, free of charge, a tour round this tiny island which is like going back 40 years in time of the farms, water buffalo and rice paddies, it comes with our recommendation, our previous guests have loved this in the past.

We will reduce your charter cost by 300 THB a head should you wish to take this option .

IN SUMMARY

Phang nga and Krabi are national parks, you will be charged by the Rangers there 300 to 400 an adult, half price for children
The boat is brand new and perfect for any group outing or just the two of you.
We say max 12 people but if there are children 15 will not be a problem.

Sha-Shi is in its own category, somewhere between a speedboat and a luxury catamaran, and the price reflects this, lower priced than our larger Leopard catamarans, but higher priced than an average ordinary Phuket speedboat.

The joy of space and comfort makes Sha-Shi unique.
